†Vehicles up to 3.5t. Daimler Insurance Services UK Limited. First Cover is underwritten by Highway Insurance Company Limited. We may decline to quote in some circumstances.

*With the Sprinter and Vito from May 2019 production, we offer a range of connected vehicle services free of charge.

These include: MB Emergency Call System (eCall), Maintenance Management, Accident and Breakdown Management, Fleet Communication and Digital Trip Management. We also offer a range of extended services, which are offered free of charge, for three years. These extended services include: Vehicle Supervision, Vehicle Operations, Theft Warning, Eco Monitor and Safety Monitor (from 07/2019). Additional premium services are also available to purchase via our Mercedes PRO eStore, including: Remote Services and Digital Driver's log. The service 'Internet in the van' which acts as a WiFi hotspot requires a separate data contract with Vodafone. Navigation Services are offered free of charge in conjunction with factory-fitted MBUX Navigation (E1E), for three years. Full service information is available at <https://store.pro.mercedes-benz.com/en-gb/>
